Trading activity was slow on light demand. According to Chriss W. Street from Breitbart, with the West Coast ports labor dispute involving 13,600 unionized dockworkers inflicting pain on 318 million Americans by causing billions of dollars a day in losses to the U.S. economy settling yesterday, now 30,000 unionized refinery workers across America intend to play the same leverage game by cutting off two-thirds of all U.S. diesel and gasoline supplies. Dark Red Kidneys, Small Red Beans, and Black Beans are in tight supply.
